Duke's Alehouse and Kitchen is the sister restaurant of Durty Nellie's and located in Crystal Lake, IL. It has been owned by the Dolezal family since 1993. Mark Dolezal opened it as Duke O'Brien's, an Irish pub and restaurant, in 1995 and ran it until 2008 when Zak Dolezal, his son, took over. With Zak's passion for responsibly sourced ingredients and running an eco-friendly business he rebranded Duke O'Brien's to Duke's Alehouse and Kitchen. Duke's Alehouse and Kitchen has been a 3 Star Green Certified Restaurant since 2012 and has won several of McHenry County's Best of the Fox Awards since opening including Best Tavern and Pub, Best Restaurant Serving Local and Organic Foods, One of the Best Gluten-Free Restaurants, One of the Best Vegan Restaurants, Best Kids Menu, Best Cocktail and more.

About the Menu:

Duke's menu features gourmet comfort foods and sandwiches featuring artisanal products from local and sustainable farmers and producers. Duke's focuses much of its menu to gluten-free, vegetarian, and vegan options.
